Submission of Substitute Specification Under 37 C.F.R. 1.126(b)

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

In response to Examiner's request in the Office Action, mailed on March 13, 2001, to submit a substitute specification "because the number of amendments to the specification requested in the preliminary amendment filed on March 26, 1999 were too numerous for the PTO to ensure that they were accurately entered and printed," Applicants hereby submit a substitute specification, excluding claims, in accordance with 37 CFR 1.125(b). A statement that the substitute specification includes no new matter and a marked-up copy of the substitute specification showing the matter being added to the specification of record are also included.

Please charge any additional fees, including any fees for additional extension of time, or
